DETAILED ACTION

1. **Claim Status:** 1, 3-7, 9-17 are allowed, and claims 2, and 8, are canceled.

EXAMINER'S AMENDMENT

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 7, and 13, the prior art of record fails to disclose or suggest the claimed provision of: determining a current synchronization state by comparing the received synchronization key to a stored synchronization key, wherein the synchronization state of the receiving device and the synchronization state of the sending device are at a desired synchronization level when the received synchronization key has the same value as the stored synchronization key, setting a synchronization currently in process state when a synchronization is in process, setting a synchronization currently not in process state when a synchronization is not in process, generating a current synchronization checkpoint count value based on the current synchronization state, comparing the count of the tagged value to the current synchronization checkpoint count value and processing the notification when the count of the tagged value is current With respect to the current synchronization checkpoint count value, in conjunction with the rest of the limitations in the independent claims, is not taught or suggested, or rendered obvious over the prior art of record or that encountered in searching the invention

3. The dependent claims 3-6, and 9-12, and 14-17 being further limiting to the independent claims, definite and enabled by the Specification are also allowed.

Comments

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

As allowable subject matter has been indicated, Applicant's response must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CRF 1.111(b) and MPEP section 707.07(a).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
